Victor,

It was great to have a chance to hear about your goals for the old "Grinder" site. I have attached contact information for one of the best consultants we know, Lisa Trifiletti. Lisa's level of communication and negotiation are second to none. She can get things done.

Let me know when you are interested in an introduction to Mike Bonin, as Karen would be happy to do that via email. I certainly hope we can assist you be with your development goals here in the Westchester Town Center BID area.
